

## 2018-2019 Dress Code Guidelines

In an effort to (a) accommodate our students, (b) assist our families, and (c) maintain adequate and appropriate dress, the following Dress Code applies for the 2018-2019 school year.

The school's dress code is designed to facilitate an environment where the school pursues its purpose of providing students an education based on academic excellence and our six pillars of character. The cooperation of the student and the parent is necessary in maintaining the standards of the school's dress code, and dress code violations may result in appropriate disciplinary action. Coming to school each day with appropriate clothing as listed in the guidelines is the responsibility of both the student and the parent.

Legacy the School of Sport Sciences dress code also serves to:

- enhance school spirit;
- allow students to demonstrate an understanding of appropriate dress for different school activities and events.
